THE NIGHT WINDOW

Actor – Short-film development pitch

Hook: Two roles built around doing a job while trying to hide its cost.

Logline: Before midnight, a repair-kiosk owner must choose between her lease deposit and correcting a battery record that could save a courier cooperative from paying for her mistake.

Mae diagnoses accurately and misdescribes her own conduct; Inez demands accuracy after proposing her own false claim. S03 requires shared object work; S06 tests status without shouting; S07 asks for embarrassment that does not seek forgiveness. Ages and casting are flexible, women explicitly central.

Proposed next step: Consider a paired reading of S03 and S06. No casting offer or attachment exists.

Status and scope: Original short, revised host-agent demonstration draft. No cast, finance, partners or distribution attached. Single-agent self-review; no independent endorsement. Local draft only, unsent. This small demo does not establish feature-quality guarantees.
