THE NIGHT WINDOW

Director – Short-film development pitch

Hook: Make a narrow window change the distance between two people.

Logline: Before midnight, a repair-kiosk owner must choose between her lease deposit and correcting a battery record that could save a courier cooperative from paying for her mistake.

The scene geography shifts when Mae leaves her protected kiosk and invites Inez inside. Paper, hands and screens must remain readable without becoming an illustrated explanation. The missed route and canceled renewal should register as separate losses. Preserve dry timing and the final cable transaction.

Proposed next step: Propose blocking and a prop-legibility test before any production promise.

Status and scope: Original short, revised host-agent demonstration draft. No cast, finance, partners or distribution attached. Single-agent self-review; no independent endorsement. Local draft only, unsent. This small demo does not establish feature-quality guarantees.
