THE NIGHT WINDOW

General – Short-film development pitch

Hook: A small transaction becomes a fight over who can afford an accurate record.

Logline: Before midnight, a repair-kiosk owner must choose between her lease deposit and correcting a battery record that could save a courier cooperative from paying for her mistake.

Two women, two contiguous locations, continuous night and approximately 8–12 minutes. S03 turns repair into discovery; S06 makes a signature the confrontation; S07 allows both livelihoods to remain exposed. An adult workplace short with humor from practical friction.

Proposed next step: Read the complete screenplay and test whether the ending feels consequential without explaining the contract aloud.

Status and scope: Original short, revised host-agent demonstration draft. No cast, finance, partners or distribution attached. Single-agent self-review; no independent endorsement. Local draft only, unsent. This small demo does not establish feature-quality guarantees.
