THE NIGHT WINDOW

Festival – Short-film development pitch

Hook: An ordinary refund staged as a consequential ethical choice.

Logline: Before midnight, a repair-kiosk owner must choose between her lease deposit and correcting a battery record that could save a courier cooperative from paying for her mistake.

S03 shares physical space before trust; S06 refuses a waiver; S08 declines salvation. The form stays in continuous night across kiosk and pavement. The film is not yet shot, no selections or premiere status exist, and no current rules have been checked.

Proposed next step: Evaluate the screenplay artistically; a future submission must verify eligibility, premiere obligations, accessibility and fees.

Status and scope: Original short, revised host-agent demonstration draft. No cast, finance, partners or distribution attached. Single-agent self-review; no independent endorsement. Local draft only, unsent. This small demo does not establish feature-quality guarantees.
